

Summer Spaces Activity Specialist Summer 2020 Job Description

Since 1877, The Fresh Air Fund has worked with and provided free summer experiences to New York City children from low-income communities. More than 1.8 million children have been served through two core program areas, the Fresh Air Camps on Sharpe Reservation, and through visits to volunteer host families in states along the East Coast and into southern Canada. The Fresh Air Fund is an independent, not-for-profit organization. Today, thousands of boys and girls participate in Fresh Air programs each summer.

In response to the COVID-19 pandemic, The Fresh Air Fund made the heartbreaking decision to cancel its traditional camping and Friendly Towns (visiting host family) programs for Summer 2020. Still, we remain steadfast in our commitment to providing a fun and enriching summer to children from New York City's low-income communities. As such, The Fresh Air Fund is planning four programming opportunities to keep the magic of summer alive: *Fresh Air Everywhere* (virtual programming); *Fresh Air Summer Spaces* (NYC-based programming); *Fresh Air Youth Internships, Credentialing & Training* (teen programming); and *Fresh Air Family Wellness* (family programming). All programming is free of charge.
