Position Summary

Fresh Air Everywhere, our virtual camp program, builds and maintains the community spirit of The Fresh Air Fund's summer programs by giving children a safe and fun virtual experience to explore the world around them under the guidance of trusted Fresh Air Fund counselors and staff. While we bring the joy of camp experiences to children, we also aim to help address the "summer slide" in skills that this year's prolonged school break will create for youth. Our lower camp is for children between the ages of 7 and 12 and will build on The Fund's commitment to help children learn, grow, and thrive by providing new, enriching and FUN programming over a six-week period. Children can choose to participate in one of three 9-day sessions, in either the morning or afternoon.

The Fresh Air Fund is seeking organized, creative and supportive individuals who will work alongside the Program Manager of Fresh Air Everywhere to design and implement a quality summer enrichment program focused on preventing summer learning loss and strengthening campers' social-emotional learning in a fun, energetic setting. Assistant Managers are responsible for all programmatic aspects of Fresh Air Everywhere as well as staff supervision for their respective age group – 7 to 9 year-olds or 10 to 12 year-olds.
