

## SPRING SUPPORT SERVICES ASSOCIATES

The Fresh Air Fund has provided free summer experiences in the outdoors to more than 1.8 million New York City children from low-income communities since 1877. Each summer, thousands of children visit either volunteer host families in rural and suburban communities along the East Coast and Southern Canada, attend six Fresh Air camps in New York's Mid-Hudson Valley, or participate in other outdoor programs run by The Fresh Air Fund. Young people also participate in year-round leadership and educational programs offered by The Fund. In Summer 2020, during the difficult realities of COVID-19 and the economic crisis, The Fresh Air Fund reimagined summer and developed new in-person and virtual program models to support youth in New York City. Summer 2022 marks the year that The Fresh Air Fund will bring back and run our traditional camp and Friendly Towns programs. For more information, visit [www.FreshAir.org](http://www.FreshAir.org).
