The Fresh Air Fund's Sharpe Reservation has over 2,000 acres of beautiful land with lakes, ponds, streams and hiking trails through the woods. Located in the Hudson Highlands near Fishkill, NY, Sharpe Reservation is the site of five of The Fresh Air Fund's camps. Each summer, children from New York City's underserved communities explore the outdoors, make friends, have fun and learn new skills. Members of the community and school groups participate in year-round and environmental education programs at Sharpe Reservation.
